

Three Days Workshop
on

Photovoltaic Technology: From Devices towards Systems

Under
TEQIP-III

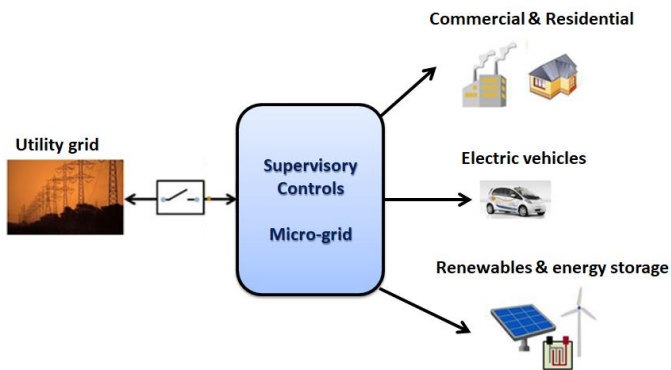

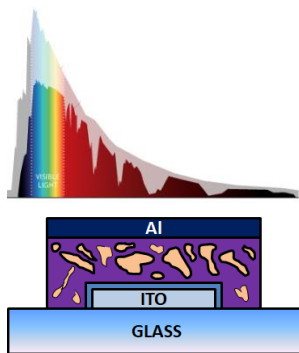

December 16 - 18, 2019 at IIT Indore

Course Objectives:

- (1) Exposing participants to the overall energy scenario in the world and Indian context, emphasizing need of renewable energy sources and understanding solar radiation.
- (2) Exposing participants to the various interdisciplinary aspects of Photovoltaics in terms of materials and cell performance, strategies to improve the performance of cells, modules as well as arrays.
- (3) Significance of Solar Tracking, stand alone PV systems, Grid connected PV systems and Microgrid.

Who Should Attend:

- ✓ Executives, engineers, managers, and researchers from manufacturing, service and government organizations including R&D laboratories.
- ✓ Faculty members from Higher Education Institutes (HEIs).
- ✓ Students of B.Tech./MSc/M.Tech./Ph.D.

Course Content

Lectures

- Introduction to energy scenario. Significance of renewable energy sources.
- Introduction of Solar radiation, materials for PV cell fabrication. Next generation emerging solar cell technologies, Flexible Electronics.
- Stand alone and grid connected PV systems and concepts related to micro grid.
- PV technologies: role of government and its impact on economy.

Tutorial/Demonstration

- Fabrication of thin film devices
- PVD system
- Electrochemical deposition
- RF-Magnetron Sputtering
- Characterization techniques

Three Days Workshop
on
Photovoltaic Technology: From Devices towards Systems
Under
TEQIP-III

Speakers

National:

- Dr. Vipul Singh, IIT Indore (course coordinator)
- Dr. I A Palani, IIT Indore (course co-coordinator)
- Dr. B. K. Lad, IIT Indore
- Dr. Abhinav Kranti, IIT Indore
- Dr. Amod C Umarikar, IIT Indore
- Dr. Trapti Jain, IIT Indore

International:

- Dr. Shyam S Pandey, KIT Japan.
- Dr. D Nakamura, Kyushu University, Japan.
- Prof. Hiroshi Inokawa, RIE, Shizuoka University, Japan.

Note: List of speakers is tentative & will be finalized soon

Registration Process

Category	*Fee (INR)
Participants from TEQIP institute	Free
Others institute faculty members/postdoctoral students	1500
Other institute UG/PG/PhD students	1000
Industry personnel	3000

Note:

- (1) *50 % discount, if you have already registered for COPEN-2019 (<http://copen2019.iiti.ac.in/>)
- (2) The course fee includes study material, breakfast, lunch, and tea
- (3) Number of seats: Limited
- (4) Accommodation can be arranged, if requested, in hostel subjected to availability. Candidate will have to pay the hostel charges (approximately Rs. 250-500 per day). Please fill the preference for the hostel accommodation in the registration form. We will get back to you with further details.

Mode of Payment: e-payment only

Name of Account Holder : IIT Indore

Name of Bank : Canara Bank

Branch : IIT Indore, Simrol, Branch

Account Number : 1476101027440

Account Type : Saving A/c

Bank IFS Code : CNRB0006223

Bank SWIFT Code : CNRBINBBISG

Important Dates: The soft copy of the completely filled registration form (next page) along with online payment slip should be sent to vipul@iiti.ac.in, on or before **October 15, 2019.**

Feel free to contact/email the course coordinator for any queries or clarifications.

Registration Form

(1) Full Name:

(2) Designation:

(3) Institute/ Organization:

(4) Address:

(5) Hostel accommodation required: Yes /No

(6) Email id:

(7) Phone/Mobile No.:

- Payment details:
- Date of Payment
- Amount
- Online transfer reference number

Signature

Date
